On this week's show: Governor Sarah Palin goes fishing days after announcing her resignation; Bristol Bay is chock full of red salmon; and Sealaska gets into oyster farming. Also, the FV Trident gets a hefty fine, the Great Kusko King Vanishing Act, and standing guard against green crab. We had help from Fish Radio's Laine Welch in Kodiak, KDLG's Mike Mason in Dillingham, KUCB's Anne Hillman in Unalaska, KYUK's Shane Iverson in Bethel; and KBBI's Marcia Lynn in Homer.
