From  
KMXT in Kodiak, this is the Alaska Fisheries Report. Coming  
up this week...

The  
North Pacific Fishery Management Council is in Kodiak this week, and crab  
fishermen are speaking their minds.

The  
Minerals Management Service also drops by the rock, to talk North Aleutian  
Basin lease sales.

And  
a lawsuit has been filed over the one halibut bag limit for Southeast charters.

Those  
stories and more coming up on this week's Alaska Fisheries Report.

Thanks  
for joining us.
