Coming up this week: NOAA pushes all its councils to consider implementing catch shares into their fisheries; some think the pollock TAC should be lower; and predicting next spring's herring run in Southeast. All that, and Dude Fisheries Ride Again! We had help this week from KUCB's Anne Hillman in Unalaska, KCAW's Robert Woolsey in Sitka, KTOO's Casey Kelly in Juneau, and KDLG's Mike Mason in Dillingham.
