At the

Northern Lights Conference Basketball Tournament at Skyview High School this morning, the Kodiak High School boys played their second round elimination bracket game against the Homer Mariners - a team they dominated just a week ago in the regular season finale. The final score of 42-40, sees the Bears advancing to a 10:45 a.m. game tomorrow morning, while the Mariners go home. Kodiak's opponent won't be determined until later today. Brian Fangonilo sank the winning basket with less than a minute left.
