From
KMXT in Kodiak, this is the Alaska Fisheries Report. Coming
up this week...

Exxon
Mobil says it will ask the Supreme Court NOT to make it pay interest on
punitive damages for the 1989 Valdez spill.

Meanwhile,
the Prince William Sound RCAC calls for censure of the Supreme Court justices
who voted in the majority in the Exxon decision.

Also,
new environmental rules could be a major pain for Alaska's small boat
fishermen.

Those
stories and more coming up on the Alaska Fisheries Report.

I'm
Casey Kelly.

Thanks
for joining me.
