From  
KMXT in Kodiak, this is the Alaska Fisheries Report. Coming up this week...

We  
take you to a Kodiak Island setnet site to meet the Berns family, who run  
Bernpile.

Learn  
what it takes to catch salmon in some of the North Pacific's most pristine  
waters.

Also,  
once the salmon is caught, listen to how it's sold at markets down south.

Those  
stories and more, coming up on this week's Alaska Fisheries Report.
