From
KMXT in Kodiak, this is the Alaska Fisheries Report. Coming up this week...

The
Clean Water Initiative goes down to defeat, but supporters of the measure
remain resolved to stop Pebble Mine.

Lawyers
in the Exxon Valdez case have reached an agreement that could have plaintiffs
receiving punitive damages by early October.

And
high fuel prices continue to plague fishermen.

Those
stories and more coming up on this week's Alaska Fisheries Report.

Thanks
for joining us.
