Coming up this week: Ocean Beauty says damage to its Petersburg dock will force them to pack salmon elsewhere this summer; the North Pacific council is meeting right now in Kodiak, and halibut bycatch is at the top of the menu. All that, and yes, boats still hit icebergs and they still sink, 100 years after the Titanic. We had help this week from KFSK's Joe Viechnicki in Petersburg, KYUK's Mark Arehart in Bethel, and KUCB's Alexandra Gutierrez in Unalaska.
