The second weekend of the Kodiak High School sports season was another successful one for the Bears. On the gridiron at home, Kodiak used strong second and third quarters to win its first conference game, 32-to-12 over the Houston Hawks. The Bears, who won the season opener last week against the West Anchorage JV are now 2-and-0 on the season. They will now have three weeks on the road, playing at Palmer, Thunder Mountain in Juneau and Kenai. When they return home, the team hopes to debut its new field against archrival Soldotna on September 15th.
