

Aqua Bears Swamp Competition at Valley Invite

Monday, 15 October 2012

Jay Barrett/KMXT

The powerhouse Kodiak Bears have exerted their dominance at another swim meet. The Kodiak girls nearly swept the meet, scoring 114 points while winning 11 of 12 events. That's not to say they didn't have close races — in the girls' 400 meter freestyle relay, Palmer set a school record and lost to Kodiak by only one-hundredth of a second. The only race the Lady Bears lost was the 100 meter butterfly.

Three Kodiak girls won two races each: Ila Hughes won the 50 and 100 freestyle; Jori Lindquist won the 100 backstroke and the 200 freestyle; and Tahna Lindquist took the 200 individual medley and the 500 meter freestyle. Sammye Jones and Sophie Hogen also had wins, in the 100 breaststroke and the 1-meter dive, respectively.

Soldotna was a distant second with 53 points, followed by Palmer, Kenai and Seward.

The Kodiak boys easily finished first as well, with 107 points by winning eight of 12 events. Nicholas Lincoln won the 200 individual medley and the 100 meter butterfly, while Michael Smith took the 200 and 500 meter freestyle races; and Dyton Schauff the 100 freestyle and the 100 meter backstroke. James Blake won the 100 meter breaststroke.

Soldotna was also second in the boys' event, followed by Colony, North Pole and Palmer.

We've got full results after the jump.
