Kamai said officers were able to follow tire tracks left by the stolen motorcycles toward Larch Street before they disappeared. He said a passerby in the area reported seeing a suspicious vehicle.

While he admitted that theft numbers in Kodiak have risen in the past week, Kamai said he isn't sure if it is a new trend or just a coincidence.

Kodiak Crime Stoppers is offering a \$1,000 reward for information leading to the arrest and conviction of the person or persons responsible for this crime. Kamai said Crime Stoppers is a confidential way to offer information and encourages anyone who might know something to call them at 486-3113. In addition, he encourages community members to keep an eye out for suspicious behavior and always report anything unusual to the police department.
