

The Alaska Fisheries Report With Brianna Gibbs

Thursday, 28 February 2013

{audio}/images/stories/mp3/afr_feb_27_online.mp3{/audio}

Coming up this week, last year's weak Chinook salmon runs prompts action in the Alaska Legislature, discussion about the same issue among interior Alaska Native villages and painting a picture of one woman's experience in commercial fishing. All that and this year's projected salmon catch, coming up, on the Alaska Fisheries Report.
