Coming up this week: the final Halibut GHL is still a little up in the air even as fishermen prepare for the season opening, a floating processor's crew is stranded and homeless in Kodiak after their ship runs aground, and a smart phone tour of Alaska's busiest fishing port. We had help this week from KCAW's Ed Ronco in Sitka, KMXT's Brianna Gibbs in Kodiak, KDLG's Mike Mason in Dillingham and KFSK's Matt Lichtenstein in Petersburg.
