

KMXT's Alaska Fisheries Report

Thursday, 13 June 2013

{audio}/images/stories/mp3/130613.alaska_fisheries_report_13-15_june.mp3{/audio}

Coming up this week, news of chinook and coral gardens from the North Pacific Fishery Management Council meeting, both sides are far apart in Togiak herring prices, and listen up, mariners, some of your Marine Forecast Zones will be changing this fall. We couldn't have done it without the help of Seafood.com's John Sackton in Lexington, Massachusetts, APRN's Alexandra Gutierrez in Juneau, and KUCB's Stephanie Joyce in Unalaska.
