

Weekend Salmon Harvest Updated

Monday, 17 June 2013

Jay Barrett/KMXT

Over 150,000 salmon were harvested in the Kodiak Management Area between Friday and Sunday.

There were 46,000 sockeye netted Friday, another 74,600 on Saturday and just over 33,000 on Sunday.

Almost 2,000 salmon of other species were hauled in Friday, 11,000 on Saturday, including 8,400 chum, and about 3,000 on Sunday.

The sockeye total through Sunday was 433,413, with an all-species harvest at 465,702
