

The Naturalist - What Slugs Do For Us

Friday, 21 June 2013

{audio}/images/stories/mp3/130621.naturalist_kodiak_slugs.mp3{/audio}

Today on the return of "The Naturalist" from Fort Abercrombie, Deb Mignogno tells us everything we've ever wanted to know about ... slugs.

Deb is the volunteer naturalist at Fort Abercrombie State Historical Park in the summertime, and brings us The Naturalist on a semi-regular basis so we can learn more about the natural world around us.
