Coming up this week, the 9th Circuit says NOAA Fisheries was right to restrict fishing to protect Steller Sea Lions; and as if king salmon didn't have enough challenges, over a thousand of them are killed by the hot summer. All that, plus the governor pleads with Walmart to take Alaska salmon. We had reports contributed by KUCB's Stephanie Joyce in Unalaska, KFSK's Joe Viechnicki in Petersburg and KDLG's Mike Mason in Dillingham.
