Some big sporting events are coming up this weekend for Kodiak High School athletes.

### Cross Country Regions

The Bears cross country squad will be competing in the regional championships in Seward on Saturday. The boys team, led by Levi Thomet, will race at 1:15 p.m., while the Kodiak girls will run at 2:45 p.m. JV and Class 1, 2, 3-A athletes are also competing there.

### Volleyball at West Spiketacular

Starting today, the red-hot Kodiak volleyball team will get a taste of some real competition at the West Anchorage "Spiketacular," where 20 other teams will also be competing. Kodiak has four games today; at 4 p.m. against West Valley, 5:30 against East Anchorage, 7 p.m. versus Dimond, and 8:30 p.m. against Wasilla.

Then, the Bears have to turn around and play Eagle River at 9 a.m. Saturday morning, followed by ACS at 10:30. After pool play wraps up tomorrow morning, single-elimination bracket play will fill the afternoon.

The Kodiak Bears football team will play their penultimate game of the season tomorrow against Houston at 2 p.m. The JV game versus Sitka will be at 11 a.m. The Bears have one more week of regular season play after tomorrow, against Skyview, here at home, on October 5th.
