Coming up this week, commercial fishermen respond to the Soldotna sportsfishing guide industry's attempt to bring to an end to one of Alaska's oldest fisheries; it looks like crabbers got their pots in the water with enough time to meet holiday deadlines in Japan; and a summit for fishermen who are young – or young at heart – all coming up on the Alaska Fisheries Report. We had help from APRN's Alexandra Gutierrez in Juneau, KDLL's Shaylon Cochran in Kenai, KMXT's Brianna Gibbs in Kodiak, and CoastAlaska's Ed Schoenfeld in Sitka.
