

# The Alaska Fisheries Report

Thursday, 12 December 2013

{audio}/images/stories/mp3/stories-2-mp3/131212.Alaska Fisheries Report 12-14 Dec.mp3{/audio}

Coming up this week, salmon is the focus of a science workshop in Anchorage, folks in Homer get reminded of when crab was king, and a story I've wanted to share for a couple months, and not just because of its name: Spawn-O-Rama! Thanks for stories from KDLG's Mike Mason in Dillingham, KBBI's Aaron Selbig in Homer and KRBD's Leila Kheiry in Ketchikan.
