The Kodiak Lady Bears basketball team is seemingly off to a great season. The team took home the win at the Lady T-Bird Hoops Classic at East High.

Despite missing tournament play on Thursday because of delayed flights, the girls played twice on Friday, winning both games and cruised to the championships on Saturday. In the finals, Kodiak took on East High and walked away with a 56-45 win over the Thunderbirds.

Kodiak's Hannah Wandersee scored 20 of those points in addition to 11 rebounds. Megan Pyles added 12 points and Carissa Cannon scored 10.
