

Talk of the Rock - School Design Philosophy

Tuesday, 18 January 2011

{audio}/images/stories/mp3/110118.totr_school_design.mp3{/audio}

Today on a prerecorded Talk of the Rock, Diana Gish speaks with Ron Bogle and Scott Williams about community involvement in school design.

Tonight at 6 p.m. the Parent Teacher Student Association is hosting a meeting to discuss the design and construction plans for the Kodiak High School expansion and renovation. That'll be in the high school commons.
