

The Alaska Fisheries Report with Jay Barrett

Wednesday, 31 December 2008

{audio}/images/stories/mp3/090101.alaska_fisheries_report.mp3{/audio}

On this first show of 2009, we glance back at the year that was, and look forward to what might be in the new year. Also, cod prices are plummeting and a fisherman in Japan builds the Prius of the Sea. All that and more coming up on the Alaska Fisheries Report.
