Jay Barrett/KMXT

Coming up on this week's show: Could processor linkages be removed from Crab Ratz? NOAA wants to help us preserve our fishing heritage, and what's this about MAD whales? Also, Sig Hansen comes out against Bristol Bay mining, hefty fines in Southeast, and Senator Murkowski urges expectant mothers to eat more seafood. We had help from Deck Boss Blogger Wesley Loy in Anchorage, KCAW's Robert Woolsey in Sitka, KFSK's Matt Lichtenstein in Petersburg, and KDLG's Mike Mason in Dillingham.
