

## Bears 3rd, 15th at State Track and Field Championships

Monday, 25 May 2009

Jay Barrett/KMXT

Despite a good season on the track and field, Bartlett and Dimond high schools proved to be too strong for the Kodiak Bears to overcome. The boys placed third in the state championships over the weekend with 66 points, behind Bartlett's 86 and South Anchorage's 77. The girls were 15th, with 16 points. Dimond was first with 95. Juneau-Douglas had 49 and Kenai had 47.

Senior Trevor Dunbar, plagued by illness last week, only managed two wins, in the 32-hundred and the 16-hundred-meter races. He got second place in the 800, losing to Dimond's Ryan Hanley by about a half-a-second.

Dunbar was Kodiak's only state champ of the meet. Several individuals and relay squads took thirds, though. The Kodiak girls took third in the 400-relay, while the boys did the same in the 800 and 16-hundred relays. Erwin Domingo was third in the long jump, and Dylan Anthony was third in the 32-hundred.
